You are aware that the Special Establishment has been sanctioned till 23-1-1937. There are still 25 land acquisition cases pending final disposal on my files, out of which 15 cases await the passing of awards. Further, the Section 19 references already made to the Sub Court in L.A.Case Nos.22/34 and 9/35 are still pending disposal in the said Court. Two section 18 applications have been received in the "Guliga Hithlu Town Planning Scheme" (L.A.Case No. 28/34). A few more are likely to be received in the course of another month. Until therefore all the references to Court are finished and the number of cases considerably reduced, the Special Staff will be absolutely necessary. My last requisition for the retention of the staff is contained in my Ref.C.No.4566-36-M dated 5-9-1936. Since then 5(five) fresh cases have been received from you. I would request you to obtain the Council's resolution. agreeing to retain the Special staff from 24-1-1937 to 23-7-1937 at its cost. Within that time I expect most of the cases will be disposed of. Instead of extending the time by three months each time it is better to get sanction for six months. If there is no special staff the work is likely to be delayed.
